

The Bonfire Barbecue

The event that captivates the minds of almost every student even before its arrival is the Bonfire Barbecue Night. This year the tradition continued, the Bonfire BBQ at Bay View High was an amazing occasion.

A new twist was brought to the event by introducing a theme – ‘Vendetta Village’. Students were seen in ‘Sicilian mafia-style’ suits and fedora hats! The Music Club provided great entertainment and our very talented students made the night a huge hit. The tradition of the Bonfire Night lives on!
