

Independence Day Celebration

On 14th August 2008, Bay View High School paid its respects to Pakistan on its 61st Independence Day. The preparation for this auspicious day was done by our students who decorated the school building with the National flag, bunting and stickers. The day began at all our campuses with the National Anthem at 8:00am on the dot, with the rest of the country. The programme continued with speeches, national songs and a dance performance

Great news!! Our Alumni joined us to celebrate the day with verve and enthusiasm. The Bay View Spirit was loud and clear. The event was followed by a traditional halwa puri nashta enjoyed by everyone.
